2 State v. Monica Campbell, CR201900257

3 (Excerpt of Preliminary Hearing on 4/11/19 from  
4 the testimony of Alec Campbell on examination by Mr. Powell,  
5 in Division 5 before Honorable Judge James Conlogue.)

6 Q When they would be restraining you, would they do  
7 it in a way that would make it difficult for you to breathe?

8 A Yes.

9 Q How so?

10 A So get on top of me and, (indicating), um, like  
11 the elbow, like on, like, you know, pushing down on you so  
12 you can't move. And it would be hard to breathe sometimes.

13 Q Would they be like on your chest area?

14 A Yes.

15 Q Alec, at any point when you have told, have talked  
16 about this abuse with either DCS or law enforcement, have  
17 you ever denied abuse occurring in your home?

18 A No, sir.

19 (Discussion off the record between counsel and  
20 case detective.)

21 BY MR. POWELL:

22 Q Now do you ever remember somebody from law  
23 enforcement coming to your home and personally scolding you?

24 A Yes, sir.

25 Q Who was that?

1           A     I was back in the police, the police car. And he  
2 introduced himself as the sheriff and said: You need to  
3 stop, um, treating your parents that way, stop treating them  
4 with disrespect. And he said: Would you ever disrespect  
5 me?

6                     And I said: No, you're the sheriff. You didn't  
7 give me a reason to disrespect you.

8           THE COURT: And who did the person identify  
9 themselves as? I didn't hear that.

10           THE WITNESS: He said, he said: Do you know who I  
11 am?

12                     I said: Yes.

13                     And he said: I'm the sheriff.

14           THE COURT: Okay.

15 BY MR. POWELL:

16           Q     After, well, after that person spoke to you, um,  
17 were you scared to report the abuse to law enforcement?

18           A     No. If, if -- I wasn't, I wasn't never scared to  
19 report it. I was, well, I was scared to report it after the  
20 consequences. But I already knew I was going to be taken  
21 away. I already knew I was not going to be coming back.

22           Q     Did -- and when you say "taken away", each time  
23 you would report did you feel as though you ended up getting  
24 blamed for whatever situation was being described?

25           A     Yes, sir. I, I, I was the one put in handcuffs.

1 And I didn't touch nobody. I was the one taken away in  
2 handcuffs.
